Kidney disease is no respecter of persons. It attacks young and old alike. In most cases the victim is warned of the approaching danger. Nature fights back. **Catarrhal Deafness Cannot Be Cured** by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces. ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists 75c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

## Warns Influenza Will Come Back in More Dangerous Form

Dayton, O.—Declaring that people gained nothing from their experience with the ailment in 1918 and 1919, Dr. W. A. Evans, prominent health authority and writer of Chicago, today predicted that the world would again be swept by an epidemic of influenza far more severe and disastrous than last year, when thousands of lives were lost. The only way it can ever be alleviated or exterminated is by following the advice of the medical world.

Influenza can be prevented; last year's results prove that. As a preventive for flu, Turpo has been a pronounced success. Turpo is an effective germicide, combining the old-fashioned remedies of turpentine (which has always been known as the

### Formerly Was Oyster King.

Jacob Ockers, known as the "Oyster King," who died recently at his Long Island (N. Y.) home, was the first exporter of oysters to Europe, and his name came to be known in all markets where the blue point oyster was found in foreign countries. His foreign shipments the first year amounted to only 1,000 barrels. Later his export business became the largest of its kind in the United States, and amounted to 30,000 barrels annually.

## GHOST PLAYS CHURCH ORGAN

Curious Sight and Sounds Frighten People in English Village.

## VICAR HEARS MUSIC

Mysterious Will-o'-the-Wisp Lights Frighten Volunteer Band Marching By—Church Is of the Norman Period.

Hereford, Eng.—The little village of Avenbury, which lies in a secluded valley of Herefordshire, has a haunted church.

The church is of the Norman period and tales concerning its ghost have become like household words. There are many stories of different ghosts in various forms, but the most astonishing visitant is one which plays the church organ.

### Hears Ghost Play.

"I have heard the ghost play twice myself," said the Rev. Archer Sheppard, the vicar. "Some neighbors brought the matter to my notice first. They heard the sounds when they were walking by the church one afternoon, and thought that it was my organist practicing. They found, however, that the church was locked up."

"The first time I heard the ghostly playing was while I was gardening. I believed that the woman who cleaned out the church was allowing her child to use the organ, and I went to see into the matter. The music stopped when I was a few yards from the church, and I found that the building was locked and empty."

"This ghost was at Avenbury before Mr. Sheppard became vicar," said Col. Purser of Bromyard. "I told him the story, but he did not believe it until he heard the music himself. My children and I have heard it, and it sounds like a voluntary. Once my children were in the church when there was a groan. They rushed out into the churchyard whence the sound appeared to come, but there was nothing to be seen."

### Mysterious Lights.

"Mysterious will-o'-the-wisp lights are also said to have been seen, and a volunteer band which was marching

ing by the churchyard was badly frightened in this way.

"Avenbury church has always had a ghost. A certain Nicholas Vaughan burnt down a palace of the Bishop of Hereford in the Middle Ages. His ghost was 'laid' by twelve clergymen with twelve candles. A small piece of the twelfth candle was burnt and the remainder put in a silver casket under a stone, which stands ten yards above the church footbridge over the River Frome. They put a spell on the ghost not to return until the candle was burnt out and the casket carried into the Red Sea."

### GOES TO JAIL TO AID FATHER

Parent Needs the \$200 Cash He Put Up for Son's Bail in New York.

Middletown, N. Y.—After Frank Fredyoster of New York had escaped from Hampton farms, near here, he was captured, served the remainder of his term, then was re-arrested and locked up in the Orange county jail at Goshen to await action of the grand jury which is expected to indict him for escaping.

Several weeks ago the young man was bailed out by his father, who deposited \$200 cash.

Later Fredyoster walked into the office of Sheriff Leonard and asked to be locked up again in order that his father might have the \$200, which he greatly needed. His request was complied with and the father had the money returned to him at once.

## HEADACHE Often Caused by Acid-Stomach

Yes, indeed, more often than you think. Because ACID-STOMACH, starting with indigestion, heartburn, belching, food-regurgitating, bloating and gas, if not checked, will eventually affect every vital organ of the body. Severe, blinding, splitting headaches are, therefore, of frequent occurrence as a result of this upset condition.

Take EATONIC. It quickly banishes acid-stomach with its sour blast, pain and gas. It aids digestion—helps the stomach get full strength from every mouthful of food you eat. Millions of people are miserable, weak, sick and ailing because of ACID-STOMACH. Poisons, created by partly digested food charged with acid, are absorbed into the blood and distributed throughout the entire system. This often causes rheumatism, biliousness, cirrhosis of the liver, heart trouble, ulcers and even cancer of the stomach. It robs its victims of their health, undermines the strength of the most vigorous.

If you want to get back your physical and mental strength—be full of vim and vigor—enjoy life and be happy, you must get rid of your acid-stomach.

In EATONIC you will find the very help you need and it's guaranteed. So get a big size box from your druggist today. It is sure to please you, return it and he will refund your money.
